

March 21, 1974

CLFRK: What I have is a typed copy of the original and first copy.

SENATOR ANDERSON: But there should be the original A bill I turned on. That should have my name and my signature on it.

CLERK: I'm sure it does.

PRESIDENT: Senator Duis.

SENATOR DUIS: Well, then, Mr. President, I would suggest that we see the original bill because I don't believe we can proceed on a technical error in printing because we've always....you'd just have to hold it up long enough to print it, wouldn't you? To reprint the bill?

CLERK: Well, we'd have to go back to E & R for Engrossing and have the names switched.

SENATOR DUIS: Well, you can....you can have a motion then, if you want to, Mr. President, but I think it would have to be a motion then to do this with a majority of the elected members.

PRESIDENT: To accept it under these conditions. I would agree. The motion before us is that we go ahead and proceed with the reading of the bill with Senator Luedtke's name on it. And we'll take care of the technicality at least as far as the Chair's concerned from that particular end. That's the motion before the Body. The majority concur in it. Here we go.

SENATOR DUIS: No, we can't.....Mr. President, Mr. President.

PRESIDENT: Senator Duis.

SENATOR DUIS: I think as Chairman of the Rules Committee, if I might say so, I think we should hold the original bill without...that is LB865....in abeyance without signature and then go ahead and back up LB865A and then pass it in the correct manner so we won't have repercussions maybe when it goes over to the Governor's office or from the Attorney General.

CLERK: Mr. President, I have a motion to recess. And I have a request to print some amendments in the Journal by Senator Stahmer to LB922.

PRESIDENT: Let's take up the motion to recess then at this time. Do we have other business before the Body here? Request to print some amendments, did you say?

CLERK: Oh, Mr. President, we have a request unanimous consent to expedite all bills from now on for the balance of the session to deliver to the Governor. Signed, Senator Carpenter.

PRESIDENT: Are there objections to expediting all of the rest of the bills from here on out to the Governor? Hearing no objections, so ordered.

CLERK: I move we recess until 1:30.

PRESIDENT: Motion is to recess until 1:30. Is there any further business to come before the Body. Question is, do you want to recess until 1:30. All those in favor of the motion please say. Those opposed say no. So ordered, we're recessed until 1:30.
